

FURRY TALES

A Reading Program for Kids and Animals

Children grades 1 - 5 are encouraged to come to Pet Placement Center and read to both our cats and dogs.

This program is designed to help children keep up with their reading skills and receive extra practice for those who are in need of improving. Reading to the animals helps to bring comfort to and reduce the anxiety of shelter pets, and it nurtures empathy in children.

For more information, or to become involved please call (423) 877 - 0738 or email director@thalppc.com

A parent must accompany the child during their visit and the children are required to wear closed-toed, rubber-soled shoes to protect their feet.
